Throughout the lifetime of these rolling campaigns we will continually draw from the applicant pool, processing applications and holding interviews in order to fill current and future vacancies. There is currently no closing date stated for these campaigns. Once we have a sufficient number of applicants we may introduce a final closing date.
Duration of Post	Appointment is Specified purpose 0.86 33.42 Hours
Location of Post	Children's Health Ireland at Crumlin
Context/ Background	<p>Children's Health Ireland (CHI) is leading on the clinical and operational transformation of acute paediatric healthcare and consists of hospitals at Crumlin, Temple Street and Tallaght. The three children's hospitals and CHI's Corporate Office transitioned from four separate, independently governed entities into one new single organisation on 1st January 2019 to govern and operate paediatric services in Dublin.</p> <p>This new organisation operates as a single service across the existing locations of Crumlin, Temple Street, Tallaght and the CHI Corporate Office and will transition to the new facilities at the two paediatric outpatient and urgent care centres at Connolly and Tallaght Hospitals and the new children's hospital on the campus shared with St James's Hospital.</p> <p>The Minister for Health appointed a new Board in September 2017, initially on an administrative basis to support CHI's Chief Executive and management team in the planning and implementation of the Children's Hospital Programme and to prepare for the transition of services from the existing three children's hospitals under the governance of the legally established Board, which commenced on 1st January 2019.</p>

	<ul style="list-style-type: none"> Operationalise an integrated acute paediatric healthcare network Act as client for the government funded capital project to build the new children's hospital and the two paediatric outpatient and urgent care centres at Connolly and Tallaght Hospitals, and a separately funded research and innovation centre Act as client to a major ICT programme to digitize paediatric healthcare Commission, transition to and operate the new children's hospitals and the two paediatric outpatient and urgent care centres. <p>The new children's hospital will be at the centre of a new model of care with two new Paediatric Outpatients and Urgent Care Centres (OPD & UCCs) central to the delivery of this new model of care. The POPD & UCCs will be based at Connolly Hospital on the North side of Dublin (due to open Summer 2019) and one at Tallaght Hospital on the South side of Dublin (due to open 2020). The addition of the new OPD & UCC, together with the opening of the new hospital in time, will transform how healthcare is delivered to children in Ireland.</p>
